Route Classification Reference Table

This table lists all active delivery routes, their zones, standard delivery times, and priority levels. Use this table to classify deliveries and assess whether routes are meeting expected performance standards.

route_code	route_name	zone	standard_days	priority_level
R01	Meadow Loop	Central	2	Standard
R02	Enchanted Forest Express	Central	1	Express
R03	Mountain Pass	Northern	3	Standard
R04	Coastal Glide	Southern	2	Standard
R05	Highland Spiral	Northern	3	Remote
R06	River Valley Run	Eastern	3	Standard

Note: Route R99 does not exist. Any deliveries logged against R99 require investigation.
