

## Nimbus Nine — Routes Reference

Reference table maintained by the Logistics Office. Use the route\_code as the joining key to other tables.

| route_code | route_name          | sector   | base_distance_au | difficulty |
|------------|---------------------|----------|------------------|------------|
| R01        | Lunar Loop          | Sector 1 | 0.4              | Easy       |
| R02        | Asteroid Belt Run   | Sector 2 | 1.2              | Hard       |
| R03        | Blue Moon Express   | Sector 1 | 0.6              | Easy       |
| R04        | Tea Shop Hop        | Sector 4 | 0.9              | Medium     |
| R05        | Outer Colony Drift  | Sector 5 | 2.1              | Hard       |
| R06        | Garden Ring Glide   | Sector 3 | 0.7              | Easy       |
| R07        | Mining Camp Shuttle | Sector 2 | 1.5              | Medium     |
| R08        | Crystal Cave Run    | Sector 6 | 1.8              | Hard       |

Notes: Distances are in astronomical units (au). Difficulty is set by the Logistics Office and reviewed quarterly.
